Stockholm Aikikai invites you to an international training camp in the historic Eriksdalshallen on Södermalm in Stockholm.

We hope that aikidokas from all dojos and “styles” in Sweden see this as an opportunity to meet and train together under the guidance of one of the leading instructors at Aikikai Hombu dojo.

Kuribayashi Shihan, who has a well-established network in many other countries, always attracts many foreign practitioners to his training camps, which provides further opportunities for good training and exciting new contacts for the future.

The camp is organized by Stockholm Aikikai.

Come, meet and train for the future of Swedish Aikido!
